

Conference Facilities

This exclusive new family run conference / function venue can accommodate up to 60 delegates in auditorium style and cater for delegates in u-shape.

The conference centre has its own entrance, reception, break away room and main conference hall. We took great care in choosing our conference chairs to ensure that delegates will be able to sit comfortable during the whole conference. The Main Conference hall and break-away room is equipped with air-conditioning. Standard audio-visual and technical conference equipment is provided.
