

Weddings

The natural beauty and close proximity to Johannesburg and Pretoria makes Griffin's Estate the perfect setting for your wedding. We have several settings available for weddings and functions. You can have your wedding in the garden, at the main centre around the swimming pool with a cocktail menu or at The Stables in a rustic background. We specialise in small weddings but can seat up to a 100 people or host a cocktail function for up to 130 people. We feature an open-sided Gazebo-style chapel surrounded by lovely landscaped gardens and water features.

For an unconventional wedding, you should visit Griffin's Estate and take a look for yourself – our venue can accommodate your dreams.
